PETITION TO REVIVE ABANDONED APPLICATION UNDER 37 CFR \$1.137(b)

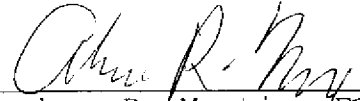

Applicant respectfully petitions to revive the unintentional abandonment of the present application. Responses to Final Office Action of December 11, 2006 were submitted to the USPTO on March 12, 2007 and May 9, 2007 in order to put the case in condition for allowance.

Applicant received an Advisory Action mailed on August 23, 2007, after the six-month abandonment deadline of August 11, 2007, that the responses to the Final Office Action did not put the application in condition for allowance.

Applicant submits that the failure to include the submission was unintentional and that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional.
